DRAWING TRANSMITTAL WITH CERTIFICATE OF MAILING

Dear Sir:

Please add to the application the enclosed single New Sheet of drawings bearing a new Fig. 3. New Fig. 3 merely schematically shows the software and control device recited in original claim 19 and the vehicle recited in original claim 20, as further supported in the original written description, for example at page 1 line 8 to page 2 line 20, page 6 lines 6 to 15, so that Fig. 3 does not introduce any new matter. Because the vehicle, the automatic gearbox, and the control device can be generally conventional, it is not necessary to show further detail than merely a generic schematic "box". Entry of the New Sheet bearing new Fig. 3 is respectfully requested.

Respectfully submitted,
